jody keisner was raised in rural nebraska towns by a volatile father and kind but passive mother as a young adult living alone for the first time she began a nighttime ritual of checking under her bed each night not sure who she was afraid of finding an intruder a monster her father keisner s fears mature as she becomes a wife and mother and the boogeyman under the bed shape shifts though its shapes are no less frightening a young aunt s drowning the chest chomp in the classic horror movie the thing a diagnosis of a chronic autoimmune disease the murder of a young college student an eccentric grandmother s belief in reincarnation and her dying advice don t be afraid in under my bed and other essays jody keisner searches for the roots of the violence and fear that afflict women starting with the working class midwestern family she was adopted into and ending with her own experience of mothering daughters in essays both literary and experimental keisner illustrates the tension between the illusion of safety our desire for control and our struggle to keep the things we fear from reaching out and pulling us under

i just want children to realize for every action there is a re action and consequences to go along with the re action learn from your mistakes and teach what you have learned there is a moral to my stories that you should respect stay in school and stay educated try to love thy fellow man and woman always show respect to your parents grand parents and to the elderly praise god our lord

imagine being the new kid in town with no friends and just moved into a creepy house strange things are happening and you don t know why this is what s happening to bryan sanders and that s where miller and smith come in they re the founders of monster files the only ones willing to listen and help bryan out miller believes the whole town of manila arkansas is surrounded by the supernatural and it only happens to the kids not the adults that s why not a single adult will listen and that s why monster files was started this is their first real case and miller will do everything he can to help bryan figure out what is under his bed but is one of them hiding something it lives under my bed is a story with a lot of laughs and fun scares for children of all ages

the picturebook is now recognized as a sophisticated art form that has provided a space for some of the most exciting innovations in the field of children's literature this book brings together the work of expert scholars from the UK, the USA and Europe to present original theoretical perspectives and new research on picturebooks and their readers the authors draw on a variety of disciplines such as art and cultural history semiotics philosophy cultural geography visual literacy education and literary theory in order to revisit the question of what a picturebook is and how the best authors and illustrators meet and exceed artistic narrative and cultural expectations the book looks at the socio-historical conditions of different times and countries in which a range of picturebooks have been created pointing out variations but also highlighting commonalities it also discusses what the stretching of borders may mean for new generations of readers and what contemporary children themselves have to say about picturebooks this book was originally published as a special issue of the *New Review of Children's Literature and Librarianship*

the newly revised fifth edition of this popular reference is a start-to-finish guide for more than 400 basic to advanced nursing procedures it provides step-by-step instructions for each procedure and explains how to use and troubleshoot equipment
